

Dear Graduate Student,

Congratulations on completing a very challenging, in depth graduate program in Exercise Physiology. We ask that you please take a moment to let us know how we can improve upon our program and emphasize our strengths while minimizing our weaknesses. We thank you for choosing University of Miami and wish you the best of luck as you engage upon a most incredible and challenging field, Exercise Physiology! Please remember to stay in touch with us and let us know what you are doing.

GRADUATE EXIT SURVEY

Course Content	SA (5)	A (4)	N (3)	D (2)	SD (1)
1. Exercise Physiology classes were challenging and relevant	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
2. The information learned helped to prepare me to secure a job and/or further my education	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
3. The program provided current research in the field	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
4. Classes had a strong-scientific basis	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
5. Scheduling of classes was smooth and efficient	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
6. The diversity of classes provided a comprehensive education in the field	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<u>Professors</u>					
7. Professors were knowledgeable	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
8. Professors were engaging, approachable and friendly	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
9. My advisor was helpful in directing me to complete an appropriate program of study	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

10. The faculty were helpful in getting me involved in research or outside work in the community

Laboratory

11. My laboratory training was sufficient and helped me to learn sufficient clinical skills

12. My laboratory training helped me to perform clinical assessment and/or conduct research

13. There was a diversity of equipment for me to practice on and learn different laboratory-based proficiencies

14. There was ample space and facilities available in the laboratory

Research/Practicum

15. There were numerous opportunities for me to do research or gain practical experiences in the field

16. My research/practicum experiences were relevant and applicable to my interests in the field

Program Information

17. My overall evaluation of this program was positive

18. There was good communication between faculty and students

19. There was ample opportunity to interact with fellow students

20. My faculty were knowledgeable about career opportunities and willing to help upon request

Please Comment on the following:

Major strengths of the program:

Major weaknesses of the program:

Recommendations for improvement:

What do you plan on doing after graduate school (circle all that apply):

- a) apply for work
- b) apply for doctoral or postdoctoral education
- c) apply to Physician's Assistant School
- d) apply for Medical or Chiropractic School

If you answered "a", where do you plan on applying for work?

If you answered "b-d", where have you applied?

Have you been accepted for work or to graduate or postgraduate school? Yes No

If Yes, where?

Thank you for your participation!
