**Marriage and Family Therapy**  
**Course Sequence: 3-year**

Entered Revised: July 2011

**STUDENTS: Sign above indicating that you have read and understand the following:**

1. **This plan is a program requirement**, and must be filed with the Sr. Associate Dean's office (MB 312) by the end of your first semester. It includes all courses required for the completion of your degree. **You should keep a copy.**

2. Most courses have prerequisites, so modification of the sequence is not encouraged. If you modify the sequence, you must get advisor approval and submit a Change of Course Sequence form.

3. A Course Substitution form must be submitted for any substitutions. Ordinarily this would occur only if similar courses had been completed prior to beginning the program and/or transferred from another institution.

4. In addition to the sequence below, students must complete the following:
   a. An ELECTIVE (3 credits) taken some time during the program. Speak with your advisor or the program director regarding options.
   b. A Personal Growth Experience (prior to the comprehensive exam)
   c. Pass the Comprehensive Exam (this exam is typically taken in the last spring of enrollment)

All forms are available through the SOE website  
(www.education.miami.edu/studentintranet/documents.html)

---
