Higher Education Administration M.S.Ed. Program
Enrollment Management  Student Life & Development  Institutional Research & Policy Analysis
Graduate Administrative Assistantships 2018-2019

Graduate administrative assistantships in University of Miami offices are offered to students actively pursuing a Master of Science in Education with a concentration in Enrollment Management, Student Life & Development, or Institutional Research & Policy Analysis. The assistantships provide valuable practical experience in university administration while fostering an appreciation of the teamwork across department lines, collaborative learning, strategic planning and information flow that constitute effective higher education administration. The assistantships, which typically pay $18,000 per year in regular/monthly stipends, are available in the following areas:

**Dean of Students Office**

**Greek Life**
**Fraternity Graduate Advisor**
The graduate assistant serves as a liaison to a selected fraternity house just off campus, maintaining a strong working relationship with the chapter’s advisor(s), national headquarters, and housing corporation leadership; managing communication between the Dean of Students Office, the Interfraternity Council, other relevant governing bodies and/or organizations and the residents of the fraternity house; maintaining general oversight and management of all house-related operations; and assisting by providing advice, guidance, or material resources as required or requested. **Sandler Center for Alcohol and Other Drug Education**
**Graduate Administrative Assistant**
The Sandler Center is a comprehensive prevention, intervention, education, and referral program focusing on alcohol and other drug use, misuse, and dependency. The graduate assistant supports the center’s mission by helping with daily management and efforts to assess, educate, and collaborate with other campus offices and groups. In that role, the GA helps:

- Educate students about the negative consequences of high-risk use of alcohol and other drugs;
- Increase awareness and commitment to create a campus environment in which a change in attitudes, behaviors, and use of substances is possible and high-risk behaviors are reduced.

**Honor Council**
**Graduate Liaison**
This experience includes serving as the Dean of Students’ liaison to the Undergraduate Honor Council of 29 undergraduate students. The graduate assistant communicates directly with the Council’s Executive Board via regular meetings and interaction; maintains general oversight of the resources of the Council; assigns duties and responsibilities to members of the Council in coordination with its President and Vice President; and has general oversight of Council operations, providing advice, guidance, and material resources as required or requested.
