WORK HISTORY

URGENT INC.

Site Coordinator | Miami, FL

June 2019 –

July 2019

- Managed the main site of a youth and community development nonprofit organization whose mission is to empower vulnerable youth, particularly girls, through applied research, innovation, growth, and development in partnership with the University of Miami Psychology Department.
- Coordinated and planned program activities for children ages 5 through 8 years old.
- Created and maintained electronic case files, student assessments, and attendance records.
- Performed outreach for and helped in the organization of the 2019 Youth Economic Development Conference.
- Oversaw the daily logistics of the site to ensure the comfort and safety of the children.
- Planned family engagement activities and created newsletters to provide updates to the parents.

UNIVERSITY OF MARYLAND LANGUAGE HOUSE

August 2018 - December

2018

French Mentor | College Park, MD

- Provided mentorship and support to a group of 17 students in the French Language Program.
- Designed and implemented activities and lesson plans weekly to further students' comfort with the French language.
- Assisted students in grammar, vocabulary, and pronunciation related questions regarding their upper-level French coursework.
- Led weekly meetings with the goal of ensuring all deadlines regarding Language House activities were being met by students and fellow mentors.

THE ATLANTIS PROJECT

June 2017 - July

2017

Fellow | Lisbon, Portugal

- Observed surgery and patient care in different rotations: Plastic Surgery, Pediatric Surgery, Cardiology, and Cardiothoracic Surgery.
- Supported the Cardiology department in prepping patients for echocardiograms.
- Gained knowledge about hospital practices and proper bedside manner.

ST. DAMIEN PEDIATRIC HOSPITAL

July 2016 - August

2016

Intern | Port Au Prince, Haiti

- Logged data regarding personal patient information into hospital database.

- Supported and looked after children undergoing cancer treatment.
- Examined lab samples in the hospital lab and learned how to test blood samples.

SKILLS

- Fluent in English, French, and Haitian Creole.
- Proficient in Spanish.
- CPR Certified
- Adept in Microsoft Office and JASP.
- Competent in Grant and Proposal writing.
