### 2. Use these talking points for brief counseling.

REVIEW screening results
 For each "yes" response: "Can you tell me more about that?"

"As your doctor (nurse/health care provider), my recommendation is not to use any alcohol, marijuana or other drug because they can: 1) Harm your developing brain; 2) Interfere with learning and memory, and 3) Put you in embarrassing or dangerous situations."

3. RIDING/DRIVING risk counseling

"Motor vehicle crashes are the leading cause of death for young people. I give all my patients the Contract for Life. Please take it home and discuss it with your parents/guardians to create a plan for safe rides home."

4. RESPONSE elicit self-motivational statements Non-users: "If someone asked you why you don't drink or use drugs, what would you say?" Users: "What would be some of the benefits of not using?"

5. **REINFORCE** self-efficacy

"I believe you have what it takes to keep alcohol and drugs from getting in the way of achieving your goals."
