STUDENTS: Sign above indicating that you have read and understand the following:

1. **This plan is a program requirement**, and must be filed with the Sr. Associate Dean's office (MB 312) by the end of your first semester. it includes all courses required for the completion of your degree. **You should keep a copy.**
2. Most courses have prerequisites, so modification of the sequence is not encouraged. If you modify the sequence, you must get advisor approval and submit a Change of Course Sequence form.
3. A Course Substitution form must be submitted for any substitutions. Ordinarily this would occur only if similar courses had been completed prior to beginning the program and/or transferred from another institution.
4. **In addition to the sequence below, students must complete the following:**
 - a. An ELECTIVE (3 credits) taken some time during the program. Speak with your advisor or the program director regarding options.
 - b. A Personal Growth Experience (prior to the comprehensive exam)
 - c. Pass the Comprehensive Exam (this exam is typically taken in the last spring of enrollment)

All forms are available through the SOE website
(www.education.miami.edu/studentintranet/documents.html)
