STUDENTS: Sign above indicating that you have read and understand the following:

1. This plan is a **program requirement** and must be filed with the Sr. Associate Dean's office by the end of your first semester. It includes all courses required for the completion of your degree. **Make sure you keep a copy in order to plan each semester.**
2. Most courses have prerequisites and are only offered in the semesters listed below, modification of the sequence is not encouraged. If you modify the sequence, you must get advisor approval.
3. A Course Substitution form must be submitted for any substitutions. Ordinarily this would occur only if similar courses had been completed **prior** to beginning the program and transferred in from another institution with the approval of the program director.
4. In addition to the sequence below, all students must complete the following:
 - a. An Elective (3 credit course) taken at any time during the program. Speak with your academic advisor or the program director regarding options.
 - b. A Personal Growth Experience (at least 6 psychotherapy sessions) initiated **prior to being approved for Practicum.**
 - c. Pass the Comprehensive Exam (COMPS) which is taken in the last spring of enrollment.

All courses are 3 credits- unless otherwise indicated
