**STUDENTS: Sign above indicating that you have read and understand the following:**

1. This plan is a **program requirement** and must be filed with the Sr. Associate Dean's office by the end of your first semester. It includes all courses required for the completion of your degree. **Make sure you keep a copy in order to plan each semester.**
2. Most courses have prerequisites and are only offered as listed below, modification of the sequence is not encouraged. If you modify the sequence, you must get advisor approval.
3. A Course Substitution form must be submitted for any substitutions. Ordinarily this would occur only if similar courses had been completed **prior** to beginning the program and transferred in from another institution with the approval of the program director.
4. In addition to the sequence below, all students must complete the following:
  - a. An Elective (3 credit course) taken at any time during the program. Speak with your academic advisor or the program director regarding options.
  - b. A Personal Growth Experience (at least 6 psychotherapy sessions) initiated **prior to being approved for Practicum.**
  - c. Pass the Comprehensive Exam (COMPS) which is taken in the last spring of enrollment.

All courses are 3 credits—unless otherwise indicated
